

Announcement

Early-signers incentive for parties taking JLAV3.0 by 31 October 2006

Stamford, UK, 31 July 2006.

Today, 3G Licensing, the licensing administrator of the W-CDMA Patent Licensing Programme, announced, in conjunction with the publication of the Joint License Agreement for Terminals Version 3.0 (JLAV3.0), an early-signers incentive for those parties executing the JLAV3.0 by 31 October 2006.

This is a non-discriminatory offer open to all prospective licensees offering reduced per unit royalties during the period 1 January 2007 to 31 December 2008 on all W-CDMA terminal products including removable data cards and embedded data cards for portable computers and notebooks.

The details of the offer are published in a Supplementary Agreement to JLAV3, copies of which have been sent to those prospective licensees that are already in contact with 3G Licensing. Copies of the Supplementary Agreement may be obtained upon request.
