

## **Announcement**

### **SK Telecom joins the W-CDMA Patent Licensing Programme**

**Stamford, UK, 25 June 2007.**

Today, 3G Licensing, the licensing administrator of the W-CDMA Patent Licensing Programme, announced that SK Telecom Co., Ltd ("SK Telecom") has joined the W-CDMA Patent Licensing Programme as a licensor.

SK Telecom is South Korea's number one mobile communication company with around 50% market share as of 2007. SK Telecom is part of the SK Group.

The claimed W-CDMA essential patents belonging to SK Telecom will be evaluated during 2007 and, once certified as W-CDMA Essential Patents, will be made available under the Joint License Agreements for terminals (JLAV3.0), and the joint license agreement for test equipment currently under definition. The W-CDMA Essential Patents should be available for licensing effective 1Q08. All existing and new JLAV3.0 licensees will access the SK Telecom certified W-CDMA Essential Patents at no extra royalty costs.

#### **How to contact us:**

All enquiries should be made via the Licensing Administrator.
